HEALTH POLICY BRIEFS

Health Policy Briefs provide clear, accessible overviews of timely and important health policy topics. The peer-reviewed briefs explore competing arguments and point out relevant research. Health Policy Briefs are available online and produced by *Health Affairs* through a grant from the Robert Wood Johnson Foundation. Sign up for free policy briefs at <http://www.healthaffairs.org/healthpolicybriefs>.

Update: Comparative Effectiveness Research
October 8, 2010

'Grandfathered' Health Plans
